

GLUTE DRIVE NP-L131

The Nautilus Glute Drive safely and smartly isolates your glutes, building power through a strong hip bridge motion, creating sexy glutes, improved hip and core stability. The Glute Drive gives you the full benefits of the hip thrust exercise, simply, safely, and with good form. A comfortable padded belt secures the user to the back pad which supports the full length of the spine for added safety. Users can load up to four plates on each side, which gives the machine a max weight load of 360 lbs.
